Percy Norman – “*Delamere Common & On the River Bollin*” - ref 1394

“*Delamere Common & On the River Bollin*”, a pair of country scenes of Cheshire by Percy Norman, a possible pseudonym for Parsons Norman (flourished during the late 19th century) a Norwich school landscape painter who specialised in painting scenes from his home county of Norfolk and also whilst travelling to other parts of England. They are nicely executed with a fairly broad but soft pallet and provide tranquil, rural scenes that would look at home with many contemporary or traditional decoration themes. The pair are in original condition and have benefited from a light clean
