## GEORGE II OVAL WALNUT FOOT STOOL - REF 2369

A fine George III walnut oval stool, retaining excellent original colour and patina.. The curved seat rail with moulded upper edge, supported on four moulded and shaped cabriole legs, with C-scroll edging to the upper leg, fluting and terminating in a semi-trefid foot.

*A rare stool with this oval shape. Stools of this period came in a variety of shapes and sizes yet this piece stands out because of it's rare use of the oval outline. The legs moulded in an unusual and interesting manor.*
