## GEORGE II CARVED WALNUT WING BACK ARMCHAIR - REF 2445

A superb English George II carved walnut wing back armchair of excellent shape & proportions. The back with straight top flanked by out swept side wings, scrolling outwards to form armrests which terminate in an elegant tightly scrolled column.

The seat section of a gentle bowed shape, supported on acanthus and flowerhead-carved cabriole legs terminateing in ball-and-claw feet raised on casters and with swept rear cabriole legs terminating in a pad shaped foot.

A chair of a particularly good shape and form, being generous enough in proportions for comfort without looking large. The elegant walnut front & rear cabriole legs being a notable feature. The chair is covered in a wonderful handmade fabric woven on a traditional 18th century loom.
